Summary:

This musical centers on the director of the church Christmas program, Ms Oliver, as she makes sure the kids who are putting on the program don't miss the Good News at the heart of the Christmas story. The songs have a fairly contemporary feel, though traditional Christmas hymns like "Go Tell it on the Mountain" and "We Three Kings" are incorporated. This musical is part of Lillenas' "Easy" musical series. It has a shorter length than many programs and a more limited number of characters.

Comments:

This musical offers a simple way of telling the biblical Christmas story in an upbeat and fun way. The songs are upbeat and easy to learn.

Bottom Line:

This program is a good choice for churches that have a short amount of time to put a program together and limited resources. There are no big requirements for sets and costumes. If you're running out of time to put the program together, this may be the choice for you.
